

Environmental Policy Statement

HFR Solutions CIC seeks excellence in every aspect of our business and is committed to minimizing the Environmental Aspects and Impacts of our business operations in order to make the Humber region a Safer and Healthier place to live and work.

Our commitment is to:

- Comply as a minimum with all relevant environmental legislation as well as other environmental requirements to which the business subscribes.
- Continuously improve our environmental performance and to integrate recognized environmental management best practice into our business operations.
- Reduce our consumption of resources and improve the efficient use of those resources.
- Measure and take action to reduce the carbon footprint of our business activities to meet our published objectives and targets.
- Manage waste generated from our business operations incorporating reduction, re-use and recycling in accordance with the principles of the waste hierarchy.
- Manage our business operations to prevent pollution.
- Ensure environmental aspects and impacts are evaluated as part of the procurement of goods and services.

To meet our commitments, we will:

- Regularly review environmental policies and performance and allocate resources for their effective direction and implementation.
- Engage with stakeholders, including communicating internally and externally our environmental policy and performance.
- Communicate the importance of environmental issues to our workers.
- Work together with our workers, suppliers and stakeholders to promote improved environmental performance.
- Promote appropriate consideration of sustainability and environmental issues in the services we provide.
- Review our Environmental Policy in line with our review policy.
